

Greetings Parents, Students and Community Members,

My name is Derwin J. Farr and I am extremely excited to join the Bulldog Family as the new principal. I am honored to return to the halls of Marlboro County High to serve the students of this community.

I have served the families of this community for the past five years as an Assistant Principal at Marlboro County High, and most recently as the District Coordinator for Student Intervention Services. The students are my passion and their success is what motivates us all.

The 2017-2018 school-year will bring about new and dynamic things within the halls of MCHS. Together with your help, the faculty and staff of Marlboro County High seek to create a winning culture within our scholars. We will embark on our journey this year with the motto: “Why Not Us? Why Not Now? A Winning Education for Champions!” Our scholars are champions, and it is imperative that we impart this belief upon them and nurture it.

I plan to continue the legacy of success established by MCHS by building strong relationships with parents, students, and community partners. I understand the importance of the school-home connection and its impact on student success.

As your principal, it is important to me that we work together to ensure all student’s social, emotional, and academic needs are met. I will work closely with our administrative team and the MCHS faculty and staff to guarantee all students receive a high-quality education. The doors at MCHS are always open and your input and support are welcomed. Together we can make this a great year!

Thank you for the opportunity to serve your family in this role. I look forward to working with you to help each scholar at Marlboro County High School meet their goals and walk into a successful future!

Sincerely,

Derwin J. Farr, Principal
Marlboro County High School
