The safety and educational welfare of our students are priority at MCHS. Due to the high volume of students being signed out at the end of the day just prior to dismissal, MCHS will no longer sign out any students after 2:00 pm each day. Administration is asking that any parent needing to sign out a student please provide documentation that the child has a doctor/dentist appointment. Your child/children have to be present in each class for 45 minutes to be marked present. With State Department attendance regulations, morning tardies and early sign outs are documented in PowerSchool and may have an effect on a child's successful movement to the next level. Thank you for respecting and supporting the safety of our students and their instructional time.

Sincerely

Derwin Farr, Principal
