April 1, 2019

Dear Parent/Guardian,

On April 9, 2019, we will administer the WIN Ready2Work assessment to our third year students during the early release school day at no cost to you. No registration is required by you or your student.

The WIN Ready2Work assessment is a set of four tests that measures your student's abilities in Applied Mathematics, Locating Information, Reading for Information and an Essential Soft Skill. Your student will receive a score, which "show that the learner has successfully mastered the foundational skills and are ready to work." Additionally, your student can achieve a Ready2Work and an Essential Soft Skill credential.

To ensure a successful testing experience, please make sure your student has a good night's sleep, a good morning breakfast and arrives promptly on testing day. For more information about Ready2Work, please refer to the Parent Guide. Additional information is available at <https://ed.sc.gov/tests/high/r2w/>.

Sincerely,

Derwin Farr,
Principal

Robbie Shivar,
Professional School Counselor

The Mission Of Marlboro County High School Staff Is To Develop Confident Lifelong Achievers By Creating A Positive School Environment Where The Staff, Parents And Community Work Together To Provide Opportunities For Students To Be Successful In An Ever-Changing World.
